Re: David W. Landry Employment with Gulf South Risk, Inc.

Nursey O. McNeal  
District 1

Dear Ms. Barker:

Raymond "Shoe Do" Lewis  
District 4

As per our phone conversation, please address the following issue:

Debra A. Savoie  
District 5

As you know I am employed by the Iberia Parish School Board except for Workman Compensation claims. Iberia Parish School Board (IPSB) has a claim administration contract for such with Gulf South Risk, Inc., Houma, La. Gulf South Risk employs the services of William Bordelon, a Houma attorney for any workman compensation litigation.

Michael W. S. L. Mayeux  
District 6

Brad M. Norris  
District 8

My son, David W. Landry, is an insurance producer for Stiel Insurance Company. He has no ownership interest in either Stiel or Gulf South Risk. Gulf South Risk is considering his employment to service as an adjuster to some of the claims they administer for the IPSB. Gulf South serves as a claim administrator for other school boards and other clients. David would have dual employment with Stiel and Gulf South Risk.

Rachel L. Segura  
District 10

Kathleen B. Rosamond  
District 11

Rev. Arthur L. Alexander  
District 12

Kenric P. "Mushy" Fremin  
District 14

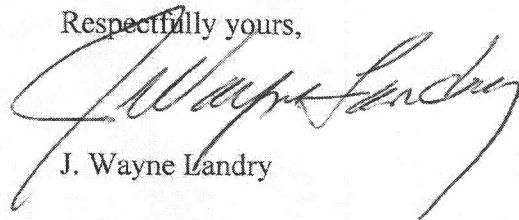

I do not administer the Gulf South Risk contract and it was not awarded under my supervision or administration. I do, however, participate in discussion with Gulf South Risk on the settlement of any claims against Iberia Parish School Board.

Is David's contemplated employment with Gulf South Risk prohibited by the Ethics Code? If not, is there a reporting requirement on his or my behalf which must be complied with? If your advice is for me to seek an advisory opinion, will the issue as presented herein suffice as the letter of request? Which form would be required to be filed and by whom?

Thank you for your attention in this matter.

Respectfully yours,

A handwritten signature in cursive script, appearing to read "J. Wayne Landry".
